

Tom and Bren's photo album of the 2007 'Contact' tour :

Bren, a chocolate milkshake, and an unbreakable stare

Bren waves, just to say hello, at the Oxford Zodiac

Our sound engineer John (left), and driver Tony (right)

Backline tech Noddy

Monitor engineer Nobby

Luke Toms has entered the building.....

.....as has his keyboard player, Luca

Will is stuck between some oversized beer bottles. Poor Will!

Peekaboo! It's John!

Luke Toms onstage at Portsmouth Wedgewood Rooms

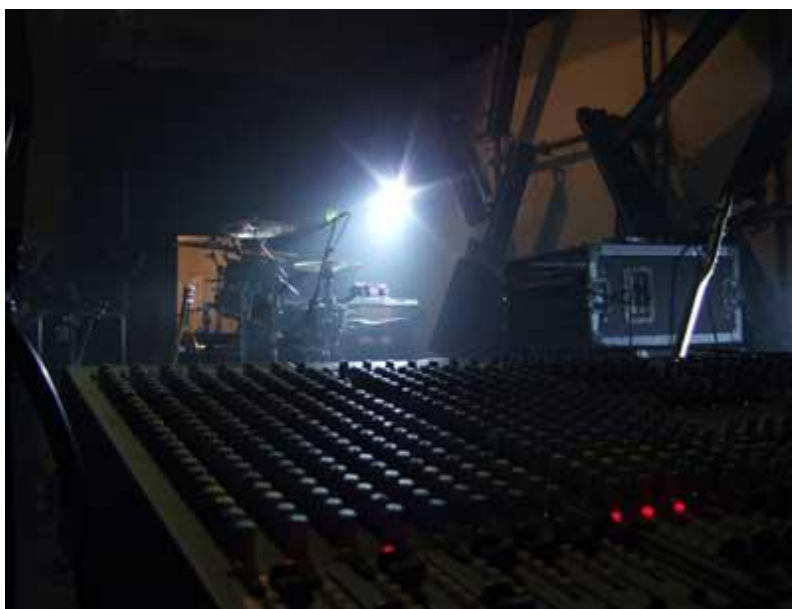

This is known to us as 'Guitar World', probably because of all the guitars

The tour rolls into London, at The Scala

Lots and lots of lights!

The stage is set! (Scala)

Nobby's typical gig position

Drums - cool!

Brighton, luckily parked a full 15 metres from the entrance to the gig!

Can you tell what it is yet?

Adam & Fiona's big day!

"Outta my way!!!"

Luke Toms' set at the Brighton Concorde 2

Tour's over, but the work continues for Will and Tom at a Tiscali session

At the Follow Me video shoot, Will chats to director Michael

Bren gets some direction from Michael

Green screen! Special FX! Oh yeah!!
